CENTRE OF BIOTECHNOLOGY

Applications are invited for candidates for filling up one SRF position on plain paper giving complete copy of all certificates.

Funding agency: Defense Research Development Organization (DRDO), New Delhi

Project Title: “Development of Biogenic 3D nanoporous silica-based sensor for enhanced sensitivity against plant pathogenic fungi”

Name of post: SRF (Senior research fellow) 1 Post

Stipend: 16000 + HRA (1st and 2nd year); 18000 + HRA (3rd year)

Duration: 3 years

Qualification: M.Sc. Biotechnology/ Microbiology/Biochemistry/Life Science with at least two years of work experience in laboratory techniques such as microbial culturing & characterization / design, fabrication & characterization of biosensor.

Desirable: Candidates with good communication and writing skills proven by relevant research publications in sci journals (as a first or corresponding author) will be preferred.

Application must reach the undersigned by

The last date for the Application is 21st of September,2018

After screening of applicants only suitable candidates will be called for interview. No TA/DA will be paid. This position is purely temporary and co-terminus with the project.

Shanthy Sundaram
