

Report

Ten days “**Hands-on Training in AutoCAD for Interior Design and Space Planning**” was organized from the Department of Family and Community Sciences. This training programme was conducted in collaboration with CADD Centre, Parayagraj in the computer lab of e-learning Centre, Faculty of Science from January 20 to February 2, 2024. A total of 25 students including faculty member participated in the training programme. Trained and experienced trainers from the CADD Centre, Civil Lines, Prayagraj was provided systematic skill development training and course materials to the participants. The aim of the training programme was to develop theoretical and practical understanding of AutoCAD in Interior Designing in students.

Professor Sangita Srivastawa, Hon’rable Vice Chancellor, University of Allahabad was the Chief Guest and Patron during the inaugural function of Hands-on training. Professor Neetu Mishra, Head, Department of Family and Community Sciences was the Chairperson of the inaugural ceremony and Dr. Farida Ahmed, Assistant Professor, Department of Family and Community Sciences was the convener of the programme. Vote of thanks was offered by Dr. Ritu K. Sureka, Assistant Professor, Department of Family and Community Sciences. PRO, Proctorial board members, Heads and Deans of the various departments of the Faculty of Science were also present in the inaugural ceremony.

In ten days “Hands-on Training” students learned to draft basic geometry shapes, advanced drafting tools, layer management, hatching and annotations, application of blocks and external reference, layout, plot and publish output techniques. This training programme is helpful for the students to bridge gap between university education and industry. After 10 days AutoCAD training, students awarded with course completion certificates on February 8, 2024.
