The Head of the Department
Department of Geography

Subject: Community outreach activities on 'Sanitation, hygiene and health' by the faculty and the students of 4th semester, Department of Geography, University of Allahabad on 09.04.2024.

Sir,

The group of students (dissertation group) of M.A./M.Sc. programme 4th semester, Department of Geography, University of Allahabad have volunteered and planned to conduct an outreach activity on 'Sanitation, hygiene and health' on 09.04.2024. The team has decided to visit the slums of Old Yamuna Bridge, Kydganj, Prayagraj and create awareness about the given themes. The team will be led by Dr. Kiran Kumari Singh, Associate Professor, Department of Geography.

Details of the students along with their consent to participate in the outreach activities are attached herewith.

Submitted for approval.

**Summary Report on
Community outreach activities on 'Sanitation, hygiene and health' organised by Dr.
Kiran Kumari Singh and the students of 4th semester, M.A./M.Sc. Programme,
Department of Geography, University of Allahabad on April, 9th 2024.**

A group of students (dissertation group) of M.A./M.Sc. programme 4th semester, with their dissertation supervisor Dr. Kiran Kumari Singh, Associate Professor, Department of Geography, University of Allahabad conducted a community outreach activity on 'Sanitation, hygiene and health' on 09.04.2024. The team had visited the slums of Old Yamuna Bridge, Kydganj, Prayagraj and created awareness about the given themes. The students made efforts to explain the importance of hygiene through small lectures in local language, poetry recitation and Nukkad Natak performance. The respondents were the slum dwellers and school children. The team distributed pencils and candies to the kids and encouraged them to pay attention on their studies. The Outreach activity was a success.
