UNIVERSITY PLACEMENT CELL (UPC)

Collaboration with Leading Industry Names for Employability Training, Skill Development and Internship Programs (1st April 2020 to 31st March 2021)

S. No	Industry Partner	Program Details	No of Participants (approx)	Duration	Highlights
1	Piramal Foundation	Virtual Internship opportunity in the "Surakshit Dada Dadi Nana Nani Abhiyaan" launched by NITI Aayog in partnership with Piramal Foundation.	250	(July – August, 2020)	Fifty four (54) of our students successfully completed the internship and earned their certificates.
2	Tata Consultancy Services	World's largest IT service provider and India's second largest company TCS as part of their Corporate Social Responsibility (CSR) had partnered with the University to provide 100 hours free employability trainings for students coming from challenging background. Youth Employability Program (YEP) – an Instructor-led virtual training program is being organized for final year students of B.A., B.Sc and B.Com.	230	Phase - I (Nov - Dec, 2020). Phase II (25th Feb, 2021 Onwards)	Sixty one (61) of our students were certified by TCS in English Communication and Basic Corporate Etiquette in first phase. Post training, the trainees are being mentored by the TCS to apply in the job market including Tata group. After the phenomenal success of the Phase I, Phase II was launched for the benefit of over 140 final year students.
3	CSRBOX for IBM SkillsBuild	The University signed a Letter of Understanding with CSRBOX for IBM SkillsBuild, a digital up-skilling platform developed by IBM helping learners find their way to their dream careers. SkillsBuild is a CSR initiative of IBM which focuses on skill development & livelihood. On successful completion of courses, learners are certified by IBM and earn badges which are highly acknowledged in the industry. The platform was launched on 23rd January, 2021 for UoA learners. All the students and the alumni of the University may avail the access of IBM SkillsBuild platform by registering using the link provided on the website.	350	IBM SkillsBuild enables students to acquire essential, professional and job readiness skills from the comfort of their residence and on their smart phones or computers. Over 7000 skilling courses of 2 hours to over 100 hours duration are available on the platform.	One of our students Zebaish Ansari (MA – English) featured in the #IBMImpactStory for her fascinating journey of empowerment through SkillsBuild. We are very happy and feel proud of Zebaish's achievements and recognition.

Qualitative Aspects of Placement Activities

- Over 1000 students from general streams were provided an opportunity to enhance their skills and improve on their employability through virtual internships, training programs and live sessions from industry experts. Leading industry names including TATA Group, CSRBOX in collaboration with IBM and BOSCH India, Piramal Foundation, Internshala, etc. engaged actively with our students.
- Over 1500 students are at various stages of online selection process in organizations including Azim Premji Foundation, Piramal Foundation, TCS, Wipro, HCL, Axis Institute, Prism Cement and Genpact.
- The Cell has successfully aligned activities related to Training & Placement in virtual mode despite the pandemic and have engaged leading names in the industry, for exciting and emerging career opportunities for our students.
