Sub.: Brief note on free Health camp conducted at the University Health Centre date 5th April, 2024.

Sir,

Medical Cell and University Health Center of Allahabad University, organized free health camp in collaboration with Vatsalya Hospital on 5th April. Caring for the health of its employees and valuing the importance of healthy work place, this health camp is organized as a celebration to forthcoming **World Health Day** on 7th April, 2024. Dr. Ritesh Khanna, Dr. Subhash and a paramedical team, all from Vatsalya Hospital organized the camp at AU newly renovated Health Center. Prof. Anuradha Agarwal, Chairperson, Medical Cell and Dr. Vishwajeet, Medical Officer with all the health center staff successfully coordinated this health camp that registered more than 100 employees who were examined for general health and investigated as well through blood test for diabetes and ECG, for hypertension and Heart Disease. Seeing the importance of screening and preventive health, Health camps would now be a part of AU calendar on regular basis.

Dr. Vishwajeet Kumar
