- 1 The impact of the COVID pandemic continues in the education of the university and online methods are being used for teaching students. The university has switched to having a Wi-Fi campus and usage of digital tools for online teaching and evaluation.
- 2 Faculty shortage in the University of Allahabad is the prime issue of focus for quality education. In many departments, recruitments have not been made for more than 30 years. Due to this reason, the quality of education and performance of the university is continuously degrading. To fill the vacant faculties and non-teaching positions in the coming months, our Honourable Vice Chancellor has started the process. The preparation of roster chart and eligibility for different posts are being prepared. We are expecting the University of Allahabad will see a good number of new faculty members in a short period of time.
- 3 The work of faculty and non-faculty recruitment has been spruced up. Renovation of old infrastructure has also been initiated.
- 4 The government of India is in the process of reshaping the educational environment of the country and for this perspective, NEP-2020 has been introduced. Considering government directives, The University of Allahabad preparing the process to implement the NEP-2020 (Resolution no. 12/41, Academic Council minutes dated.18/02/21)

The meeting concluded with a *Vote of Thanks* to all members.
