NOTIFICATION

(For General Information of Students)

Subject: CGPA, Equivalent Percentage and Equivalent/Deemed Marks for Postgraduate Students Enrolled from Academic Session 2016-17 Onwards

It is hereby notified for general information and in the interest of students that the University of Allahabad follows a Cumulative Grade Point Average (CGPA)-based grading system under the Choice Based Credit System (CBCS) for Postgraduate Programmes, applicable to students enrolled from the Academic Session 2016-17 onwards.

The Equivalent Percentage based on CGPA is reflected in the grade sheet issued by the University of Allahabad.

Where, for the purpose of recruitment, admission or any other official requirement, the academic performance of a candidate is required to be stated in terms of numerical marks, the Equivalent Percentage reflected in the Grade sheet may be treated as marks obtained out of 100 and, correspondingly, may be expressed as Equivalent/Deemed Marks out of 1000.

The Equivalent/Deemed Marks out of 1000 shall be calculated directly from the Equivalent Percentage reflected in the Grade sheet, without any intermediate rounding. The value so obtained shall be rounded off to the nearest integer. A fractional value of 0.500 or above shall be rounded up to the next integer, whereas a fractional value below 0.500 shall be rounded down to the preceding integer.

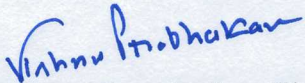

Illustrations:

- Equivalent Percentage 72.456% → 724.560 out of 1000 → 725 out of 1000
- Equivalent Percentage 72.449% → 724.490 out of 1000 → 724 out of 1000
- Equivalent Percentage 72.450% → 724.500 out of 1000 → 725 out of 1000

The Equivalent/Deemed Marks are only a numerical representation of the Equivalent Percentage already reflected in the Grade sheet and shall not alter or replace the CGPA, Equivalent Percentage, grades, marks obtained in individual semesters, or any other particulars recorded in the original academic record.

This Notification may be produced by the concerned students before any recruiting/admitting authority or other competent authority, wherever such numerical representation is required. Where an individual certificate is specifically required, the same may be issued by the Office of the Controller of Examinations, on the request of the concerned candidate, after due verification of the academic record.

This is issued with the approval of the Competent Authority accorded on 30.09.2026.
