

# Sadanlal Sanwaldas Khanna Girls' Degree College, Prayagraj

(A Constituent College of University of Allahabad)

Accredited at 'A' Grade by NAAC

Ref. ....

Date 07/08/2023

To,

DEAN, STUDENT WELFARE

UNIVERSITY OF ALLAHABAD

PRAYAGRAJ.

Dear Sir/Madam,

S.S. Khanna Girls' Degree College Organize a National level essay contest every year in memory of our former President the Late Prof. D.D. Khanna. The winner is awarded the Damodarshree National Award for Academic Excellence, the running trophy and a cash prize of ₹ 2.00 lakh. There are a number of other prizes also. We would like this contest to attract the best possible participants from all over the country. For this we beseech your help.

The topic for the contest this year is "World we are in, world we wish to create".

The attachment carrying details of the contest is enclosed with this letter. As Vice Chancellor/ Director/ Principal/ Dean, we request you to send maximum entries from your University/ institute/College.

We would be happy if you could publicize the Damodarshree Award contest among your students.

We shall be obliged to you for your cooperation in making this contest a success.

Thanking you,

Yours sincerely,

(Prof. Latima Singh)

### कहाँ आ गये, कहाँ जाना है

काल का चक्र घूमता जाता है और उसमें विश्व की केवल भौतिक रूपरेखा ही नहीं, साथ ही साथ मनुष्य के आवेग, संवेग, आकांक्षाएँ, प्रवृत्तियाँ, आचार- विचार सब परिवर्तित होते चले जाते हैं। युग धर्म बदल जाता है और जीवन-मूल्य भी बदल जाते हैं। अतः लक्ष्य दिखता नहीं और हम बीच में खड़े रह जाते हैं क्योंकि एक ओर तो अतीत का धुंधलका है और दूसरी ओर भविष्य के क्षितिज का कुहासा। वर्तमान में जीवन पथ कटीला लगता है और मन निराश और व्याकुल हो जाता है। ऐसी विकलता का अनुभव होता है जो भ्रमित कर देती है। जब हम पीछे मुड़ कर देखते हैं तो वर्तमान की तुलना में अतीत फिर भी आश्चर्य करता है, परन्तु वर्तमान में मानवीय चेतना में व्याप्त एक ऐसे संघर्ष का अनुभव होता है जो भविष्य में अनेक प्रकार के परिवर्तन की अपेक्षा रखता है। प्रश्न ये है कि इस स्थिति में भविष्य की क्या संभावनाएँ हैं? आखिर हमारा लक्ष्य क्या है? संपूर्ण ब्रह्मांड को मुट्टी में कैद कर लेना मात्र या कुछ और? हम किस प्रकार के संसार को निर्मित करना चाहते हैं? वो कैसा जीवन हो जिसको हम आदर्श मानते हैं?

### World We Are In, World We Wish to Create

When men and women start living harmoniously to make beautiful homes where their children can grow up to become true human beings, earth will automatically become beautiful. A home is as beautiful or ugly as the people living in it are beautiful or ugly. All is made, all is calibrated, a wonder world where curious minds are lost asking, adventuring, and learning. They explore a world of enigmas. Sometimes they feel burning hot, sometimes weightless, flying in vacuum. We are the world we live in; the world is not anything different from us. The most beautiful part of the journey of life is the freedom to choose its direction and the knowledge that we cannot go back to change anything. We could be happy with our choices or we might want to change ways and move in a new direction. We have grown technologically and technology has given us immeasurable power, unbridled and without the wisdom to keep it in check. But man's journey within is the exploration of the potentiality, and the power of his own self is yet to be explored further. The world we strive to create is a reflection of our aspirations but there are times we realize a chasm exists between the vision and the reality.
