The members of the NAAC committee met on April 24, 2023, in the Department of Earth and Planetary Sciences at 03:00 pm. The meeting was held to discuss the following agenda:

Agenda 1. Review of the Previous NAAC Evaluation:

The chairperson initiated the meeting by reviewing the key findings and recommendations from the previous NAAC evaluation. Members were encouraged to provide insights into the implementation of recommendations and any notable changes that had occurred since the last evaluation.

Agenda 2. Planning for Data Collection:

The focus then shifted to planning for data collection from various departments. It was decided that each department would be responsible for providing comprehensive data related to accreditation parameters outlined by NAAC. A detailed schedule for data submission was proposed, and the members agreed to adhere to the timeline to ensure a smooth and organized process.

Agenda 3. Discussion on Key Performance Indicators (KPIs):

The meeting delved into a discussion on identifying and refining the Key Performance Indicators (KPIs) that would be crucial for the evaluation process. Members shared their perspectives on relevant KPIs specific to their respective departments.

Agenda 4. Any other item with the permission of the chair:

To streamline the data collection process, responsibilities were allocated among the members. Each member was assigned a specific department or aspect to oversee, ensuring a balanced and efficient distribution of tasks. A follow-up mechanism was established to track the progress of data collection and address any challenges that might arise.

The meeting has been concluded with a *Vote of Thanks* by the host Prof. J.N. Tripathi.
