

Criteria for the Internship (01)

The eligible candidates are requested to apply for one position of Student Internship under the DST-SERB Start-up Research Grant Scientific Social Responsibility (SSR) program.

The details are as follows:

Title of Project: “Design and synthesis of bio-inspired materials for the application in heterogeneous catalysis: Halolactonization of unactivated alkenes”

Duration of Internship: 2 months starting from September 2025.

Essential Qualifications:

M.Sc./M.Tech (Chemistry Material Science, or equivalent)

Stipend: Rs. 5000 p.m. for two months only (maximum 10000/-).

How to Apply: Eligible and interested candidates meeting above requirements may submit application along with one page of research proposal by email to PI along with current CV.

Selection Criteria: Students will be selected based on their academic profile and research proposal. Selected candidates will be intimated by email only regarding their selection.

Project Investigator: Dr. Ajay Verma, Department of Chemistry, Faculty of Science, University of Allahabad, Prayagraj-211002; ajayverma@allduniv.ac.in, Mob: 09452323305

General Conditions:

- 1) The internship is purely on temporary basis and selected student will be supported by a financial assistantship of Rs. 10,000(@5000pm for 2 months only).
- 2) Financial support for other activities like travel, boarding and lodging will not be provided.
- 3) Student will have to make their own arrangements for stay during the dissertation period.
- 4) The internship person shall have no claim of appointment / absorption in Funding Agency or in University of Allahabad
- 5) Internship will be governed by the terms and conditions of the funding agency particularly applicable to the said project.
