It is informed that a sum of Rs. 3,89,224=00 towards Capital Expenditure and 93,081=80 towards salary and recurring expenditure remain Un-utilized and amount lying on the assignment account under TSA has been pulled back by RBI.

10. **Provisions for retirement benefits:**

Provisions for Retirements benefits i.e. pension, gratuity and leave encashment are provided on the basis of actuarial valuation. As this being the eighth year for making provisions in this behalf, we have accounted for the provision towards present service cost as full, and for past service cost (i.e. periods lapsed prior to FY 2015-16) it was found appropriate to incorporate the same in due course of time on straight line method over a period of 20 years. Hence the amount provided is full towards present service cost i.e. (total provision required as per actuarial report as on 31.03.2023 less total provision towards past service cost required as per actuarial report up to 31.03.2016) and 5% towards past service cost as per actuarial report of FY 2015-16. The details of provisions made is as under:

Particulars	Provision required towards Past service cost (prior to FY 2015-16)	Provision required towards current service cost
Terminal Benefits	64,81,72,927.00	10,38,40,06,698.00

Liabilities towards future costs to be incurred on leave encashment, gratuity and pension is provided for in the books of accounts of each year on the basis of actuarial valuation based on the report of a registered valuer. Such provision is made under the head of provisions falling under Schedule 03 in the ledger account head named "Provision for Employees terminal & retirement benefits". Any payments actually made during the year to any beneficiary on account of any of the heads of leave encashment, gratuity and pension is therefore debited to the account "Provision for Employees terminal & retirement benefits". Consequently therefore, payment of a sum of Rs. 153,87,84,035=00 to various beneficiaries under the three aforesaid heads has been debited to the ledger account of "Provision for Employees terminal & retirement benefits" and reported as such in "Schedule 15A - Employee Retirement and Terminal Benefits"

However, the said RBI A/c No...reflects a debit balance of a sum of Rs. 30,53,565=80 as at 31st March, 2023 because the said amount had not been transferred / remitted back upto 12.00 midnight of 31st March, 2023
