2. The members of the committee were of the opinion that the University Librarian should ensure a very enriched library with a good ambiance. Proper databases and E-Journals should be available in the Library. E-resources and CDs of downloaded Video lectures should also be maintained in the University library.

3. Even though a lot has been achieved by the University in all spheres of academic, administrative, and financial aspects, proper documentation of these developments needs to be done. The IQAC shall take the initiative for distributing the data collected through IQAC uniformly in the AQAR, Annual Report, and the Report to the Hon'ble Vice-Chancellor. All the members were of the view that the Coordinator, IQAC shall seek data from all offices and departments of the University.

The Coordinator / Director, IQAC shall:

- a) Submit a master plan for documentation of university records, for presentation before NAAC and other external agencies.
- b) Link and distribute data collected uniformly in the Annual Report.
- c) All the data collected has to be updated on the University website
