1. Following request of IQAC in the last meeting has been implemented by the university administration with the following orders.

   i. It was resolved that each Department must constitute its own IQAC and collect data of Departments pertaining to all seven criteria of NAAC and ensure to send the data to the Central IQAC withing 15 days.

2. Engineer of the University was directed to present the status report of water harvesting system, solar energy system, pink toilets, and required repair work of various Departments.

3. It was resolved that all audits required from the point of view of NAAC should be completed withing a month.

4. The IQAC also resolved to display major achievements of the University including patents and other academic achievements in the IQAC office, so that the achievements could be seen at a glance.

5. The Deans and some invited members as Heads of the Department discuss some problems related to renovation etc. With respect to this, the chairperson of IQAC directed the Engineer of the University to do the needful.

6. The Dean R&D was asked to submit the status report of curricula being designed for NEP and its probable implementation.

The meeting was concluded with a *Vote of Thanks* by the host Prof. Madhurendra Kumar, Coordinator IQAC.
