About the Centre

This is the first pan Asian integrated Institute of Theatre and Film set up by the University of Allahabad on 14 August 2010.

This integrated theatre and film course aims at providing quality education and practical training in the most interdisciplinary way in the field of theatre and film. To equip students with a degree that would turn them into well-qualified theatre and film professionals who are fully aware of various technical and academic aspects of their respective fields.

Improve your Cinematography & Editing Skills

Concept Note

The Cinematography & Editing Workshop is designed to provide participants with a comprehensive understanding of the art and techniques of filmmaking. This workshop will cater to individuals interested in both the visual and post-production aspects of filmmaking, whether they are beginners or have some prior experience. Through hands-on training and theoretical sessions, participants will gain essential skills in cinematography and editing so as to excel in the world of film and video production.
