Notice

In connection with the result of CRET 2024 declared by the Department of English and Modern European Languages, it has come to our attention that some candidates have interpreted the serial numbers of waiting list as the order of the waiting list. However, that list was reflecting the general pool of waiting list candidates without any order.

To avoid any misunderstanding, the result of CRET 2024 is being reproduced below with the marks obtained and the order of the waiting list based on those marks, along with the result of the ECC-OBC category for the clear understanding of all concerned candidates. Candidates are requested to review the updated information carefully. The selected candidates are requested to report to the allotted institutions before April 15th 2025 for further processing of admission.
