Subject: Wheebox National Employability Test

Dear Students,

We are sharing an interesting opportunity in mapping employability skills through the [Wheebox National Employability Test \(WNET\)](#) that aims to expand the employment horizon of students from the University. The purpose of this test is to measure major competencies of the candidate's employability.

Brief Program Details:

- **Wheebox National Employability Test (WNET)** is India's largest employability test.
- It is a screening assessment that is endorsed by Industries and Academia.
- **WNET** has been conducted for over 1.6 million students.
- The assessment provides an initial transcript and detailed scorecard for each module for the candidate while highlighting the strengths and areas of improvement.
- The areas that **WNET** measures a candidate on are:
 - Cognitive Abilities
 - English Language
 - Behavioral Traits
 - Respective Domain Knowledge

Benefits to the Student:

- Students get the transcripts and results on their respective email which they can add to their **LinkedIn Profile**.
- **Placement assistance** will be provided to WNET assessed candidates.
- **No Fees.** Zero charges throughout the process, no hidden charges such as registration fees, stationary fees, training, and administration fees at any stage for students.

Eligibility:

- Pre-final year and final year students of all the programs

Last Date to Take Test:

- Students must register on the **WNET** website and take the test by **Oct 15, 2021**.
