NOTICE / PRESS RELEASE

Physical Verification of Documents for Admission in M.Sc. Materials Science 2023-2024.

All the students who have successfully deposited the online fee for admission in M.Sc. Materials Science are informed that they should produce all the original documents for physical verification by visiting to the Centre of Material Science from August, 24 - 25, 2023 during working hours and also submit a set of self-attested photocopy of all the original documents in the office of the Centre of Material Science.

For detail see university website or <https://ecounselling.in/>

Note: Admission is done on the basis of merit and availability of seats.
