Helpdesk No.: +91-8303249416, 9324904891

1.4.1 For admission to M.A. in Ancient History, Sociology, English, Hindi, Medieval & Modern History, Philosophy and Political Science candidates who have passed the B.A./B.Sc. Part III Examination without these subjects, or the B.Com./ B.Com. (Honours) Examination, shall be eligible to be considered for admission as non-subject candidates up to the limit of 10% of the approved seats in each of these subjects, but in the case of Economics, the non-subject candidates must have studied Economics or Mathematics or Statistics as one of the subject up to at least the B.A./B.Sc. Part II level.

1.4.1 (a) For Admission in M.A./M.Sc. in Psychology, the candidates who have passed B.Sc. with 60% or above marks as well as candidates from social Science discipline having Education/Philosophy/ . Geography / Political Science / Sociology / Social Anthropology/Economics as one of the subjects in B.A.-III Examination have passed with 60% or above marks shall be considered as eligible candidates.

1.4.1 (b) The candidate who have appeared in PGAT-2024 in Bio-chemistry/Botany/ Zoology/ Chemistry/ Computer Science will be considered as eligible candidate for admission in M.Sc. (Bioinformatics), they shall be considered after the candidates who have a graduation degree in Bioinformatics.

1.4.1 (c) The candidate who have appeared in PGAT-2024 in Physics/Chemistry will be considered as eligible candidates for admission in M.Sc. (Materials Science), they shall be considered after the candidates who have gradution degree in Materials Science.

1.4.1 (d) The merit for such candidate will not be, in any case less than the last candidate of the subject in their respective category.

1.4.2 For admission in Non-subject, candidate has to appear in both subjects studied in B.A./B.Sc. III year or in Commerce only (B.Com. candidates) or in only Honors subjects. (Honors candidates). Non-subject candidates who qualify in the Admission Test, under sub-paragraph 1.4.1, may be required to undergo further assessment by the respective Department to determine their suitability for admission to the concerned subject. In the case of admission to Psychology, before such further assessment is carried out, the Head of the Department may arrange the non-subject candidates who qualify in the Admission Test in an over-riding order of priority on the basis of the Qualifying Graduate Examination passed or the subjects of the candidates at the same. Candidates desirous of being considered as Non-subject candidates are strongly advised to ascertain from the concerned Departments the provisions governing the admission of non-subject candidates before submitting their form.

1.4.3 Candidates (other than those exempted from the Admission Test under paragraph 1.5), who fulfill the eligibility criteria under paragraph 1.2 and its sub-paragraphs for being a non-subject candidates shall have to appear in M.A./M.Sc. Admission Test in the two subjects in which they have passed the B.A./B.Sc. Part III Examination. The standardized score of such candidate (under paragraph 2.2. of Section II) for purposes of admission as a non-subject candidate in relevant subjects or in M.Com., shall be determined by calculating the average of their Admission Test score in two subjects in which they have appeared. (For normalization suitable scaling formula may be applied as decided by core committee of PGAT-2024).

1.4.4 In case the M.A./M.Sc. Admission Test is being organized in only a single subject out of the two subjects in which the candidate could appear under sub-paragraph 1.3.1 or 1.3.2 the Standardized Score of such candidate (under paragraph 2.2. SECTION II) for purpose of admission as non-subject candidate in relevant subjects or in M.Com., shall be determined only on the basis of the Admission Test Score in such single subject. (For normalization suitable scaling formula may be applied as decided by core committee of PGAT-2024)
