**Annexure A**

Dated: 21.07.2025

**Advertisement for the post of Project assistant Position (1)**

Applications are invited for post of project assistant in DBT-NER Funded Project entitled: "**Circadian and seasonal regulation of mood and cognition in Syrian hamsters**".

Position: Project Assistant

Qualification: B.Sc. and above.

Desirable: Candidate should have master's degree in any branch of biology with understanding of molecular biology and physiology. The project requires intensive bioinformatic analysis and knowledge of transcriptomics. It is desirable for the candidates to have prior experience of using bioinformatic methods. Preference will be given for publications in bioinformatics.

Duration: Three years (to be renewed every year based on satisfactory performance)

Date of Interview: Date and time of interview will be intimated separately.

Monthly Salary: Rs.27,000/- + HRA (as per DST norms)

Interested candidates should submit their application in a single consolidated PDF file containing a detailed CV, self-attested copies of mark sheets, certificates and relevant documents by email to [dr.gauravmajumdar@allduniv.ac.in](mailto:dr.gauravmajumdar@allduniv.ac.in) with the subject line "Application for Project Assistant" on or before 20 September 2025.
